Discussion about P&C funding requirements for 2018 School Camps:

Paul assured the P&C that the home tutors camp (term2) and the ECE camp/Perth Muster (Term4) will continue to be provided by the school with

minimum cost to the parents. P&C may like to contribute to 'extra' activities at these camps.

- Term 3 Camp:
 - school can pay for teacher costs
 - P & C to pay for food again
- Muster Camp airfares for parent helpers
- Canberra Camp
 - P&C Supports 2018 Camp as there is a commitment to 6-7 kids already in the system but may reassess the need going forward
 - This year are looking to combine with Meekatharra SOTA. Meekatharra Principle, Christine, has been several times and is going to organise logistics.

4.5 Secretary vacancy

- The secretary position is currently vacant and the P&C would like to fill the position in early 2018 before our AGM at the Home Tutors Seminar in term2. Interested parties to contact Tay via email.
