School News

Term 4, Issue 4

27th November 2017

Next week sees most of us on the move.

1. The timetable for ECE Camp and Muster has been included in this newsletter. Please note that the Year 6&7 Graduation begins at 5.00pm at the Broome Camp School. Everyone is welcome to attend and to this end I will remind people that this is a formal event.
2. After the Graduation on Monday 4th December we have dinner and then at around 7pm Santa arrives and following that we the Christmas Disco.

Please see the attached timetables for any other information about what is happening next week.

Chaplain

Our school Chaplain Paul White will be in attendance next Monday night and he will be talking to families about the possibility of making home visits in his role as School Chaplain.

Reports

Reports will be mailed by the end of this week.

Paul Noble

Resource Returns

It is getting toward the end of term and we need all readers and any resources that are no longer being used returned for stocktake. If anyone requires a printout of what they have on loan please contact Kerry Doust (Kerry.Doust@education.wa.edu.au) or phone the school.

School Survey

Reminder! If you haven't had a chance to complete our school survey, please do so by following the link below.

Meet our School Chaplain, Paul White

Hi students and Parents,
My name is Paul White and I am now the new chaplain for Kimberley School of the Air (KSOTA) as Jonathon Spurgeon the previous chaplain has passed the banner onto me. I'm really looking forward to catching up and meeting some of you at the school camp down in Broome next Monday afternoon.
I was raised in Derby, went to school up here in the Kimberley and married my wife Laurel 47 years ago in Derby. Since then we have raised our 4 children and now enjoy spending time with our 13 grandchildren as well.
We commenced a flying ministry called "Kingdom Aviation Ministries" in the Kimberley 17 years ago and operate 4 planes and have our own permanent aeroplane hanger based in Derby.
Four years ago we signed an MOU agreement and entered into a partnership with "YouthCARE WA". They run chaplaincy in all our Government schools in WA. Kingdom Aviation then commenced chaplaincy into many remote schools in the Kimberley with them and really look forward to growing a good relationship with KSOTA.
Over the years I have been a chaplain to the Police Department, Home and Community Care and various schools. I am also a trained "Pastoral Critical Incident Response" chaplain, (PCIR).
God bless and cheers for now,

Chaplain Paul White
