Mr Noble's News

We have three weeks of this term left. Of course this year we have Easter in the term, which is the reason that we have 11 weeks.

1. **Easter** for us means that we have no school Friday 30th March, Monday 2nd April and Tuesday 3rd April. School resumes as per normal on Wednesday 4th April.
2. **School Development Day**- We have a change of dates for our next School Development Day. We have an opportunity to join with the staff at Derby District High School on Monday 30th April. Through DDHS the staff at KSOTA can access Professional Development pertaining to Classroom Observation and Feedback. This is a process mandated by the Education Department and all teachers will need to undergo the training. What this means is that Air lessons for students at KSOTA will begin on Tuesday 1st May. So this means there will be no school on Monday 30th April.
3. **Home Tutors Seminar** – HTS Registration Documents are going into the mail this week. HTS is during NAPLAN week 14-18 May. Please turn the Registration Papers back to KSOTA asap. It is easier to register and later drop out than get on board at the last minute. There will be no swimming lessons at HTS this year. We have had the drama of no teachers last year and the situation where it is too cold and we are battling to get children into the water.
4. **Congratulations** to Mrs Paidra's K/PP class for their great work with their assembly last week. I was unable to be there but I heard that it was a great event!
5. **ANZAC Ceremony** – 8am Friday 13th April in the Muster Room.

Everyone welcome.

I would like to congratulate everyone on their efforts across the term.

Mr Noble

Thank you to those families who have sent in their gold coin donations for participating in our Pyjama Day last Monday. The staff at KSOTA also got into the spirit of things. If you haven't yet, please send your donations in with your red bags to be donated to our wonderful P&C.

Aussie of the Month

Isabelle was nominated by Mrs Lawless as our first Aussie of the Month. Isabelle consistently puts 100% effort into everything she does. Isabelle is a motivated student that loves to learn and is always enthusiastic when she comes on air. She is also a kind student that loves to celebrate her peers' academic successes. I can't think of a more deserving student to be KSOTA's Aussie of the Month. Great work, Isabelle!
