I would like to begin with thanking everyone for their collective efforts to make our home tutor's seminar the great success that it was. Everyone had a great time and I know the students had a fantastic time catching up with their peers and teachers. I think the Professional Learning for the Home Tutors was of the usual high standard and I must again thank Sarah Heppell and Sam Price for their continued support of our efforts here at KSOTA.

Visits

Now that the country is opening up we are getting some visits under our belts. This of course is fantastic and a vital part of how we do our business. The down side is that sometimes lessons will need to be cancelled if there is no one available to cover them. I ask for your understanding on this issue.

School Development Day

All Western Australian Government Schools are required to have a certain amount of School Development days each year. We will be having one next Tuesday. That means a four day long weekend next week. The Monday is WA Day holiday and Tuesday will be our School Development Day. We will be at school on Tuesday but we will be in meetings and training all day. So no school next Monday and Tuesday!

Canberra Term 3

Students in Year 5 and 6 will be receiving news about the Term 3 Camp/Trip to Canberra very soon. Indeed I intend to get the information to those students and their families by the end of this week. Please don't hesitate to contact me on any issue.

Regards,
Paul Noble

Please email them through to Katherine. We are after photos of students, parents and home tutors for inclusion in our end of year magazine and on our website.
