12th October– Rangelands Photo competition closes

CANBERRA 2018

Our trip to Canberra this year was a wonderful event for our Senior students. I can state happily that they were a credit to their families and their school at all times. Everyone who attended had a marvellous time.

The major purpose of this newsletter is to acknowledge the generous support of two funding sources.

Connellan Airways Trust and Parliament and Civics Education Rebate (PACER) generously contributed funds to our camp.

I would like to publicly acknowledge these organisations and to thank them sincerely for their support.

Getting these children to Canberra was a big effort for a small school and our P&C have done a wonderful job raising the money but the help of PACER and Connellan was the icing on the cake and I want to thank these organisations again for their generous support.

Paul Noble
