### Mr Noble's News

There is lots of action at KSOTA this week.

We are all packed up as we are getting new carpet squares put down this weekend. It will be great to achieve this as our existing carpet is as old as the school, which is the best part of 20 years old.

#### Week 5 Camp news

We will be at the Camp School by 3pm on Monday.

I would like people to try to observe the 3pm arrival request, simply so we follow our instructions to the camp school. (They are expecting us at around 3pm.)

Dorm allocations will be put up by KSOTA staff so please look out for them.

#### Remembrance Ceremony

This important event is scheduled for 4pm on Thursday. Mr Pope has been preparing the senior class for the role that they will play in running this assembly.

Can I ask that everyone observes this solemn occasion and we would ask that there is no clapping during the ceremony.

#### Kindi Link

The people who are attending Kindi Link at Broome Primary will have a great opportunity to see first hand what sort of things can be done. KSOTA is hoping to offer a Kindi Link programme next year.

The people attending are asked to go together to the school office at Broome Primary on Tuesday. I have been liaising with Broome Primary about our attendance on Tuesday and the office staff are expecting the KSOTA contingent.

#### Timetable changes

We are including a further copy of the timetables with this newsletter. There is a change to the time table that I would like everyone to note. On the Tuesday we have had to swap family time and the Wasamba performance around. This is at the request by the performer. He was unable to make the earlier time.

This may have an effect upon people who have planned off site events during family time. I apologise if this change has caused any inconvenience. If parents have commitments that need attending to then students may be left to participate in the performance. If you have appointments for students during this time, then of course the appointment can take precedence.

#### Kaz Collins Photo Competition

Once again I would like to thank everyone who participated in this unique SOTA event.

I was very proud to see the amount of entries from KSOTA students. I am such a firm believer in students having a go and being involved in events, regardless of the results. Participation is where it is at!

However, I would like to congratulate our students who were singled out in the results.

Second overall to Orlaith Connolly is a fantastic effort! Orlaith also won her age division.

Please read the included full set of results and you will see other KSOTA students sprinkled through the lists. Of course I would also like to acknowledge the family and Home Tutor support that enabled our students to participate so ably. Well done!

#### Thank you

Miss Kerry for all her work getting our camp up and running.

Mr Pope – for all his work with the senior class whilst Mrs P has been on leave. Mr Pope has been a cheerful and productive team member during his time at KSOTA.

Mr Noble
